

The Evergreen Park Public Library Foundation invites your organization to participate in its inaugural Micro Marathon Fundraiser on Saturday, October 1, from 5:30 to 9 pm. A Micro Marathon honors the principle of the Chicago marathon, but more so celebrates the fun of a marathon without all of the running – and for a good cause! Community members will gather together in support of Evergreen Park Public Library while participating in a 0.262 mile fun-run and be rewarded with samples of local micro-brews, food, and live music. However, none of this is possible without the generous help of our local partners! Would you consider teaming up with us through any of the sponsorship levels below?

Sincerely,  
Becky Reece, Board Vice President

## About the 2022 Inaugural Evergreen Park Public Library Micro Marathon

Are you a reader – not a runner? Then this is the perfect fundraiser for you! Instead of lacing up to run 26.2 miles in a marathon, start practicing your 12 ounce curls for a 0.262 mile fun-run and local beer sampling! The Evergreen Park Public Library Foundation is hosting their first ever Micro Marathon Fundraiser to help support exciting services and programs at your Library. Included in the ticket price is a 0.262 mile fun-run after which runners will be rewarded with sample glasses for tasting beer and cider from a variety of local micro breweries, food from Joey's Red Hots food truck, live music, and an all around fun night out in our community! This 21+ event will also feature split-the-pot and drawings for prize baskets. Your support of this fundraiser and Evergreen Park Public Library are greatly appreciated. Cheers!
